YARN TO YARDS BALANCE: Amazing little tool answers the mystery of "how many yards do I have of this yarn? Easy to use, just hang a piece of yarn on the balance & clip bits off until the "teeter-totter" balances. Then, do the simple math (instructions & simple formula included) and you have a very close estimate of the yards of yarn. It works with handspun (if fairly consistent), novelty yarns, mystery fibers, etc. Design that project with confidence knowing you will have enough yarn.	\$54.00 each
